# ABOUT US

**M**odern Renaissance provides a personalized shopping experience. Our goal is to find the perfect clothes that fit into your closet. We want to help you explore the different aspects of your style and help you find the best clothes to fit your personal style.

**H**ow it works: Modern Renaissance has two quizzes you can take to give the stylists an understanding of your desired style. You can upload a series of pictures that show the type of clothes you would like, or you can answer a few questions about your style. It's super easy and only takes a few minutes!

**O**ur goal is to take all of the stress out of shopping by curating high-quality pieces for you! We will help you build your closet, so you will be happy with every piece of clothing you wear. We believe fashion can be a powerful piece in expressing yourself. We want to find clothes that allow you to be confident in your style!
